

PILGRIM PLACE APPLICATION FOR RESIDENCY

PERSONAL STATEMENT

This important part of your application provides the Admissions Advisory Group a more complete picture of your background and interests, as well as your needs and goals for retirement. Your answers to the following questions will aid in the admissions process. Please be candid. Two typewritten pages are requested. Please sign and date your statement.

1. How do you consider retirement in general and your own retirement years in particular? What goals and aspirations do you hold for your retirement?
2. What leads you to think it is important for you to come to Pilgrim Place rather than another retirement community?
3. In what way will you contribute to the ongoing life of Pilgrim Place as an active and cooperative participant in relationships and activities of this intentional community?
4. In what ways have your volunteer activities and involvement enriched your life?
5. What else would you like us to know about you?

Additional Question for Primary Applicant (i.e. the person with the service record):

6. The eligibility guidelines state that residents must have served in careers in religious, charitable, or non-profit humanitarian organizations. Please describe the purpose/mission of each of the organizations in which you have been employed and how your role within these organizations helped to fulfill the organizations' purposes.

Please note: The Personal Statement is one portion of the application process. All applicants for residency must complete a full application.
