JAMES AND LOUILYN HARGETT

Albert McNeil Jubilee Singers

The Albert McNeil Jubilee Singers will present a concert of Spirituals and spoken words remembering the witness of Dr. Martin Luther King, Jr. and a century of commitments of past and present Pilgrim Place residents to human rights, peacemaking and the civil rights movements in this country and around the world.

During this concert, Pilgrim Place residents, Rev. Dr. James and Dr. Louilyn Hargett will be honored for their lifetime contributions towards the civil rights movement.

The McNeil singers, based in Los Angeles, have sung in prestigious venues around the world. Since 1968 their performances have focused upon a vast body of African-American folk music.
