GETTING ORIENTED

A. RESIDENT HANDBOOK

You will find that this Resident Handbook will provide information to assist you as a new member of the Pilgrim Place community. This handbook applies to all residents of Pilgrim Place, including those residing in residential living, at Pitzer Lodge (assisted living), and at the Health Services Center (skilled nursing). If you have questions that are not answered to your satisfaction, the Vice President for Health Services is here to help you and will direct you to the right person if necessary. You may find the Vice President for Health Service’s Office in the administrative wing of the Health Services Center.

B. FIRST DAYS ON CAMPUS

Prior to moving to Pilgrim Place, new residents receive a two-page information sheet entitled “Beginning Your Residency at Pilgrim Place” to assist your transition into the Pilgrim Place community. Prior to arrival on campus, the Admissions Office will coordinate the date of your first meal in Abernethy Dining Room and your formal introduction at the noon meal. New residents are assigned a New Resident Mentor who will help you during your first month on campus as you become more familiar with the Pilgrim Place community.

C. NEW RESIDENT NOTEBOOK

New residents receive a New Resident Notebook upon arrival at the community (which is incorporated by reference into the Resident Handbook). The New Resident Notebook contains detailed information about the campus, policies and procedures, resident committees, campus activities, and the greater Claremont area. The Notebook also contains a current campus map, Pilgrim Place Resident Directory, and Birthday Book. Approximately two weeks following your arrival on campus, the Director of Pitzer Lodge and the Director of Admission will meet with you to review the contents of the New Resident Notebook and to answer any questions you may have.

D. NEW RESIDENT ORIENTATION

The Admissions Office, in cooperation with staff and residents, sponsors a New Resident Orientation Program that provides additional information on campus facilities, resident governance, volunteer opportunities (including Festival), health services and self-care, dining services, and other amenities. The New Resident Orientation program is an ideal way to meet staff members, tour various parts of the campus, get to know other residents, and develop friendships.

E. PILGRIM PLACE STAFF

Pilgrim Place staff look forward to welcoming you to campus and serving you as a resident. Names and phone numbers of key staff members are included in the Pilgrim Place Resident Directory that you will receive upon arrival at the community.
F. CAMPUS MAP

Campus maps can be found in your New Resident Notebook and the Admissions Office. Maps are also posted in meeting rooms.

Tray service to your unit is provided for temporary illness and shall involve an extra charge for this service which will appear on your monthly statement. Tray service charges are listed in the Pilgrim Place Annual Budget located in the Porter Hall Library. You may contact Abernethy Dining Room at least one hour in advance of meal times to request a tray delivered to your unit. Late requests can be accommodated by contacting Abernethy Dining Room between 11:00 am and 1:00 p.m. In such cases, the boxed meal can be picked up from the Dining Room at 1:00 p.m. You cannot receive trays for more than two continuous weeks, except by special arrangement with the Clinic Nurse.

(2) Pitzer Lodge and Health Services Center Residents. Tray service is provided as needed. After three consecutive days, a delivery fee will be assessed for Pitzer Lodge Residents.

F. TAKE OUT BOXED MEALS

A system has been developed for taking food home from the noon meal in Abernethy Dining Room, primarily for medical reasons. You may notify Abernethy Dining Room staff by 10:00 a.m. that you will not be eating in the dining room that day and who will be picking up food for you. Upon entering the dining room, your designee will ask a staff member for a container in which to put the food. Health Department regulations prohibit you from taking food from the dining room in any container other than one provided by the dining room. Your
designee will be responsible for filling the container. Food taken from the dining room should be consumed within two hours or immediately refrigerated. There is no charge for containers as long as food is being used for the purpose stated above. PERSONAL SERVICES

A.  EMERGENCY CALL SYSTEM

Pilgrim Place has a wireless emergency call system that may be activated by pulling the red cord in each resident bathroom or by pushing the button on the wrist or neck pendent. This call system is to be used for emergencies only. This call system alerts the nurses that you need help, but it does not give you voice communication with them. The nurses carry pagers that tell them which unit may be experiencing a problem. In case of a medical emergency, please contact 911 in addition to activating the emergency call system.

Please use the telephone whenever possible to contact the nurses for non-emergency matters. A call to 909-399-5548 (Clinic Office) or 909-399-5543 (Pitzer) can put you in touch with the nurses' station, and you can explain what you need.
B. SOCIAL SERVICES

If you need assistance or information about such matters as how to apply for Medicare or Medi-Cal, please contact the Vice President for Health Services. The Vice President for Health Service’s Office is located in the administrative wing of the Health Services Center, located at 721 Harrison Avenue.

C. HAIR SALON

Appointments are available weekdays within the Health Services Center and, when construction is completed, in the Hair Salon at the new wing of Pitzer Lodge.

C. GRATUITIES

The Community's staff is here to serve you; however, giving gratuities, gifts or bequests to staff or their families is not permitted. We ask that you adhere to this strict policy, except with respect to the Employee Christmas Fund (see below).

D. EMPLOYEE CHRISTMAS FUND

This fund is your opportunity to make an annual monetary gift to express your appreciation for service from employees. Contributions to this fund may be made during a
special fund drive in November and December. These voluntary contributions are distributed among all the staff approximately two weeks before Christmas. (Members of the Leadership Team are exempt from the Employee Christmas Fund.) The Employee Christmas Fund is administered by Pilgrim Place.

INTERNAL MOVE FROM A SECOND FLOOR UNIT

It is Pilgrim Place’s desire to offer housing to residents that best fit their initial needs/wants/ desires including units located on the second floor of a multi-level unit. At such time as one (or both occupants in the case of a couple or partners) is unable to safely manage the stairs of a second floor unit, an internal move would be warranted. Such assessments of functional abilities/disabilities would be determined via the annual and more frequent functional assessments conducted by the Clinic staff and in concurrence of the resident’s attending physician in consultation with the residents.

The occupant(s) of the second-floor unit would be required to return their initial unit to its original occupancy condition as well as pay the costs of renovation of the new first-floor unit. If the new first-floor unit’s Entrance Fee is more than the amount initially paid for the second-floor unit, the resident(s) would pay the difference to the higher amount. If the new first-floor unit’s square footage and associated Entrance Fee is less than the amount initially paid for the second-floor unit, there would not be a refund of the difference initially paid by the occupant(s) for the second-floor unit. An internal move administrative fee would not be applied.

Resident(s) of the internal move would pay the established rent of the new first-floor unit as well as the other established monthly fees.

PETS

Residents in residential living are permitted to have small pets (30 lb maximum; one dog, two cats, or one dog and one cat per household) in compliance with the pet policy. You must agree to the Community’s pet policies, including designating a person to take your pet when you are no longer able to care for it. Pets must be kept clean and quiet. All pets must be registered with the Vice President for Health Services. Pets are not permitted in central facilities or Guest Rooms.

SMOKING

Smoking is permitted in residential living. There are outside designated areas for smoking between Porter Hall Conference Room and Abernethy Dining Room, and on the Health Services Center front patio, near the Solarium. Smoking is not permitted inside any of the common areas on campus, nor while walking about the campus.
