The World Council of Churches and the Vatican's Council for Promoting Christian Unity invite the global Christian community to pray together the week ending January 25.

The Southern California Ecumenical Council and the Catholic Archdiocese of Los Angeles are honoring the past and present residents of Pilgrim Place for a century of ecumenical achievements during this year's prayer service. Rt. Rev. Alexei Smith, a Greek Catholic Priest who is Ecumenical and Interreligious Officer of the Archdiocese will preside.

Bishop Minerva Carcaño, United Methodist Bishop of the Los Angeles Episcopal Area, will preach on the Woman at the Well.

The music will be led by Dr. Bob Hurd, Pilgrim Place resident, a renowned liturgist and composer in the Roman Catholic tradition.
