December 12, 2023

Dear Residents and Family members,

Yesterday, we were notified of one staff member at the Health Services Center (HSC) who tested positive for the COVID-19 virus. The staff member did not provide direct care to our residents and is currently at home in isolation.

We will continue to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health Nurse, to ensure we are taking the appropriate steps under current circumstances, to limit the spread of COVID-19 within HSC.

All residents are being monitored on a daily basis during each shift for any related symptoms of COVID-19 (none of which have been noted). If symptoms are identified, staff, residents, responsible parties and our Public Health Nurse will be immediately notified.

Indoor and outdoor visitations will remain in effect. As a reminder, all visitors entering HSC are required to wear a surgical mask.

If you have any questions, please contact our **Infection Preventionist – Jhunatess Perez** (909) 399-7095, email: [Jperez@pilgrimplace.org](mailto:Jperez@pilgrimplace.org) or visit our website @ [www.pilgrimplace.org](http://www.pilgrimplace.org) for updates.

Stay safe and warm regards

Pilgrim Place Health Services Center
