08/19/22

Dear Residents and Family Members,

We identified a positive COVID-19 case among one of our Health Services Center (HSC) nursing staff during routine testing on Thursday August 18<sup>th</sup>. The staff member provided direct care to several residents on last day worked (Monday, August 15<sup>th</sup>) and is currently following isolation precautions at home. The residents who were identified as “close contacts” will be in quarantine for precautionary measures and family members of those residents have been informed.

Response testing of staff and residents was initiated yesterday (August 18<sup>th</sup>), which resulted in no additional identified positive cases. The response testing will continue for staff and residents until there are at least 2 weeks with no additional infections identified. We will also continue to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health nurse to ensure we are taking the appropriate steps to limit the spread of COVID-19 within HSC.

Indoor and **outdoor visitations** (highly encouraged) will resume. As a reminder, all visitors entering HSC will require to show proof of a negative COVID-19 test prior to entering the facility, no matter their vaccination status.

To schedule visitations please contact Suzanne Figueroa at (909) 399-5535 [sfigueroa@pilgrimplace.org](mailto:sfigueroa@pilgrimplace.org) or Vanessa Ramirez at (909) 399-5550 [vramirez@pilgrimplace.org](mailto:vramirez@pilgrimplace.org) Monday – Friday from 7:30am - 4:30pm.

To schedule weekend visitations please call or email no later than Friday by 4:30pm.

If you have any questions please contact our Infection Preventionist – Jhunatess Yco Perez @ (909) 399-7095, email us at [jperez@pilgrimplace.org](mailto:jperez@pilgrimplace.org) or visit our website [www.pilgrimplace.org](http://www.pilgrimplace.org) for updates.

Stay safe and warm regards,

Pilgrim Place Health Services Center
