RE: COVID-19 UPDATE

Dear Residents and Family Members,

Today we had one HSC staff member test positive for COVID-19. The staff member is currently at home in quarantine. Per our protocol, this is your courtesy notification. Resident safety continues to be our top priority; we are being proactive and taking every best practice measure to ensure we stop even a potential spread COVID-19 within our facility/campus.

We will continue following CDC guidelines as well as the directives from our assigned LA County Department of Public Health Nurse to ensure we are taking the appropriate steps to limit any spread of COVID-19 among any other residents, staff or visitors.

Indoor and outdoor visitations will remain in effect. As a reminder, all visitors entering HSC are required to wear a surgical mask.

If you have any questions, please contact our Infection Preventionist – Jhunatess Yco Perez (909) 399-7095, email: [jperez@pilgrimplace.org](mailto:jperez@pilgrimplace.org) or visit our website @ [www.pilgrimplace.org](http://www.pilgrimplace.org) for updates.

Warm regards and Happy Holidays,

Pilgrim Place Health Services Center
