Dear Residents and Family Members,

We are informing you of a resident admitted to Pilgrim Place Health Services Center on Friday January 27, 2023 who tested negative for COVID-19 upon admission but tested positive for COVID-19 during a follow up test on Monday January 30, 2023. At that time, the resident was immediately moved to our COVID Red Zone Unit. All residents, visitors and staff who may have had close contact have been notified directly.

We are closely monitoring for potential signs/symptoms and testing those who had close contact with this Resident. No other staff or residents have shown or expressed feeling any COVID-19 signs/symptoms or tested positive at this time.

We will continue following CDC guidelines as well as the directives from our assigned LA County Department of Public Health Nurse to ensure we are taking the appropriate steps to limit any spread of COVID-19 among any other residents, staff or visitors.

Indoor and outdoor visitations will remain in effect. As a reminder, all visitors entering HSC are required to wear a surgical mask.

If you have any questions, please contact our Infection Preventionist – Jhunatess Yco Perez (909) 399-7095, email: jperez@pilgrimplace.org or visit our website @ www.pilgrimplace.org for updates

Warm regards,

Pilgrim Place Health Services Center
