01/18/2022

Dear Residents and Family Members,

Today, we were informed of 2 staff members at the Health Services Center (HSC) who have tested positive for the COVID-19 virus. The staff members did not provide direct care to our residents and are currently at home in isolation.

We are continuing to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health Nurse, to ensure we are taking the appropriate steps under current circumstances, to limit the spread of COVID-19 within HSC.

As a reminder, visitors visiting outside must show proof of a negative COVID-19 PCR test within 3 days or an Antigen test within 24 hours prior to the visitation. For those seeking PCR testing locations please access the following link: <https://covid19.lacounty.gov/testing/>. For 4 free at-home COVID-19 test please visit [www.covidtest.gov](http://www.covidtest.gov).

If you have any questions please contact us at (909) 399-5550, email us at [vramirez@pilgrimplace.org](mailto:vramirez@pilgrimplace.org), or visit our website [www.pilgrimplace.org](http://www.pilgrimplace.org) for updates.

Stay safe and warm regards,

Pilgrim Place Health Services Center
