RE: COVID-19 UPDATE

Dear Residents and Family Members,

Today, we were informed of a staff member at the Health Services Center (HSC) who tested positive for the COVID-19 virus. Unfortunately, the staff member did provide direct care to some of our residents. Residents who were exposed by the staff member will be monitored each shift for any signs and/or symptoms.

We will continue to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health Nurse, to ensure we are taking the appropriate steps under current circumstances, to limit the spread of COVID-19 within HSC. If symptoms are identified, staff, residents, responsible parties and our Public Health Nurse will be immediately notified.

Indoor and outdoor visitations will resume. As a reminder, we ask family and friends to kindly wear a mask during visitations.

If you have any questions, please contact our Infection Control Nurse – Jhunatess Perez at (909) 399-7095, email: [jperez@pilgrimplace.org](mailto:jperez@pilgrimplace.org).

Warm Regards,

Pilgrim Place Health Services Center
