Dear Residents and Family Members,

We were informed of one staff member at the Health Services Center (HSC) who tested positive for the COVID-19 virus. The staff member provided direct care to several of our residents and is currently at home in isolation. Residents who were cared for by this individual will be in quarantine for precautionary measures and family members have been informed.

Staff members at HSC will continue to test twice weekly for the virus. We will also continue to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health nurse, to ensure we are taking the appropriate steps, to limit the spread of COVID-19 within HSC.

Indoor and outdoor visitations will resume. As a reminder, all visitors entering HSC will require to show proof of a negative COVID-19 test prior to entering the facility, no matter their vaccination status.

To schedule visitations please contact Suzanne Figueroa at (909) 399-5535 sfigueroa@pilgrimplace.org or Vanessa Ramirez at (909) 399-5550 vramirez@pilgrimplace.org Monday – Friday from 7:30am - 4:30pm.

To schedule weekend visitations please call or email no later than Friday by 4:30pm.

If you have any questions please contact our Infection Preventionist – Jhunatess Yco Perez @ (909) 399-7095, email us at jperez@pilgrimplace.org or visit our website www.pilgrimplace.org for updates.

Stay safe and warm regards,

Pilgrim Place Health Services Center
