10/07/2022

Dear Residents and Family Members,

We were informed of (1) staff member at the Health Services Center (HSC) who tested positive for the COVID-19 virus on Thursday, October 6th. The staff member provided direct care for several residents and is currently following isolation precautions at home.

Response testing will continue for staff and residents until there are at least 2 weeks with no additional infections identified. We will also continue to follow CDC guidelines as well as the directives from our assigned Los Angeles County Department of Public Health nurse, to ensure we are taking the appropriate steps, to limit the spread of COVID-19 within HSC.

Indoor and **outdoor visitations (highly encouraged)** will resume. As a reminder, all visitors entering HSC will require to show proof of vaccination status and a negative COVID-19 test prior to entering the facility.

Just a friendly reminder our visiting hours here at the Health Services Center are from 9:30 a.m. to 7:30 p.m.

If you have any questions please contact our Infection Preventionist – Jhunatess Yco Perez @ (909) 399-7095, email us at jperez@pilgrimplace.org or visit our website www.pilgrimplace.org for updates.

Stay safe and warm regards,

Pilgrim Place Health Services Center
